Friendship at Work!

SCHOOL BOY PRANK?—Pulling a knife is not child's play.

BIG BROTHER BROUGHT IN—meets boy on home grounds.

TROUBLE AHEAD—Principal recognizes need for help.

ADVENTURE IN FRIENDSHIP—winning confidence by companionship.

SOLUTION SOUGHT—Big Brother case worker offers help.

NOW A FIRM GRIP—on a better way of life.

WHAT

Big Brother MEANS

*"No man ever stands so
Straight as when he
Stoops to help a boy."*

The fundamental purpose of the Big Brother Movement is to give to the boy between 8-16 who has shown delinquent (or pre-delinquent) tendencies the individual guidance of a man who can direct him toward sound character development.

Its basic philosophy is "One Man and One Boy." It is the only program of youth counseling in which volunteer men work with boys on an individual basis. And, because of this unique "personal touch," it is considered one of the most effective programs in the field of social welfare. Big Brother work brings about a special relationship between a mature man who understands the art of friendship, and a growing boy who is in need of affection and friendly guidance.

Big Brothers of America is the national organization which enables local Big Brother associations to cooperate more effectively for the growth and advancement of this important work throughout the nation.

Its work is supported entirely
by voluntary contributions.

Big Brothers of America
is composed of
organizations of all faiths
and is interracial.

ROBERT K. CHRISTENBERRY

July 1, 1958

Dear Mr. McFar:

You are cordially invited to join the Honorary Committee sponsoring a Preview showing of the exotic new Cinerama production, "South Seas Adventure," at the Stanley Warner Theatre on Sunday evening, July 13th, as a joint benefit for the Big Brothers of America and the Herald Tribune Fresh Air Fund. Through the generosity of the Stanley Warner Cinerama Corporation the picture and theatre have been donated for this benefit performance.

This latest and most exciting Cinerama picture promises a delightful evening's entertainment where you will be literally transported to Hawaii, Polynesia, New Zealand and Australia, as only Cinerama can do it.

As Chairman of the Committee, I am extending to you this invitation to join in the sincere belief that both the Big Brothers of America and the Herald Tribune Fresh Air Fund truly deserve our support. These two worthy groups concern themselves with our youth. The Big Brothers work in the field of delinquent and potentially delinquent boys. The Fresh Air Fund makes possible vacations in the country to our underprivileged children, most of whom have never been away from their drab city homes before. Thanks to their fine work thousands of these boys and girls have attained maturity as good, responsible citizens.

It is hoped that you will wish to share with me the opportunity to participate in a program which pays such worthwhile dividends in the country's most priceless asset, its youth.

As the enclosed reservation form indicates, tickets have been priced at \$60, \$25, \$10 and \$5. The cost of tickets is tax-deductible, of course.

I do hope you plan to attend this gala preview with a party of your friends and will look forward to receiving your reservation at your earliest convenience so that we may assign you some of the better seats.

Sincerely,

Robert K. Christenberry
